

# Union Services And Victory Sing

The union Thanksgiving services which were held in the Presbyterian church last Thursday morning were well attended. The sermon was delivered by Rev. Robert Griffin, pastor of the church. Special music was a feature.

In the afternoon a Victory Sing was held in the town hall. Although the bad roads and high wind prevented many who live in the country from attending, there was a good sized audience. The program as printed in last week's TIMES was carried out, to which was added a duet by Misses Dorothy Bentley and Lucile Freeman.
