

# Winter Reading Fun!

## What is Black and White and Read All Over? (\*)

Children (infants to grade 5) can read away the winter blues when they sign up for the **2015 Winter Reading Program!**

- \* Each time you read **15 minutes or more**, color a stripe on the penguin's scarf.
- \* You can read anything—books, magazines, listen to Tumblebooks, or have someone read to you.
- \* When you have colored all the stripes on the penguin's scarf, return your reading log to the question desk after February 1 (and before February 28) and receive a *free book!*

Reading is the most important 15 minutes of your day!

(\*) Answer: A good book!
