

Winter Reading Fun!

Children (infants through grade 5) can read away the winter blues when they sign up for the **2017 Winter Reading Program!**

- ❄ Each time you read **15 minutes**, color a paw print on the path to the polar bear's igloo.
- ❄ You can read anything—books, magazines, listen to TumbleBooks, or have someone read to you.
- ❄ When you have colored all the paw prints, return your reading log to the Children's question desk by February 28 to receive a *free book!*

Book prizes are funded by the Friends of The Urbana Free Library
