

# Home Delivery Service

The Home Delivery Service is an important service of The Urbana Free Library.

- Volunteers and staff select books, audiobooks, music, movies, and much more for Home Delivery participants, and also provide regular delivery to individuals, nursing homes, and retirement centers.
- The Library also lends board games, musical instruments, crafting equipment, and science equipment, to name a few. Ask our volunteers for more information.
- The service is available to residents within the Urbana city limits who live alone and have a physical condition that prevents their coming to the Library.
- There are no late fees on Urbana Free Library materials, but Home Delivery participants are responsible for lost and damaged materials or fees from other libraries.
- Please complete the Home Delivery Application and sign it.
- Deliveries are made every Wednesday morning between 9:00 - 11:00 a.m. Adjustments are occasionally made for holidays, inclement weather, or volunteer scheduling.
